

# 6th Choshu (長州) – London Memorial Symposium in Organic Chemistry

Thursday 17 January 2013 1:30 pm to 4:30 pm  
D-11 Lecture Theatre  
Tokiwa Campus Yamaguchi University Ube

1:30 pm      Opening remarks

Chair          Dr. Okamoto (Yamaguchi University)

1:40 pm      It's Time to Upgrade Suzuki-Miyaura Coupling  
**Dr. Takashi Nishikata** (*Yamaguchi University*)

2:20 pm      Synthesis, Structure and Biological Activity of Hypervalent  
Organobismuth Compounds  
**Prof. Toshihiro Murafuji** (*Yamaguchi University*)

3:00 pm      Intermission

Chair          Prof. Kamimura (Yamaguchi University)

3:10 pm      Development of New Strategies for Direct C–H Functionalization  
**Dr. Shin Kamijo** (*Yamaguchi University*)

3:50 pm      From New Reactions to Non Covalent Interactions -Some Tales from a  
Curious Chemist  
**Prof. William B. Motherwell** (*University College London*)
